Washington Advices

Washington, 28.—Edgar M. Marble, law officer of the interior department, will be appointed commissioner of patents, and J. G. McGammon will succeed Marble.

Washington, D. C., 29.—The House

mmittee on appropriations non-concur the Senate amendments to the Star

route deficiency bill
President Hayes, Sorrotaries Evarts
and Bansey, Mrs. Hayes, and Miss
Cook left, to-day, for New York, to atend the op ning exhibition of the Acadmy of Design.

Domestic Dashes.

ing the wind attained a velocity of sixty miles an hour, and atdifferent times dering the day it blew with great force. Very little damage is done, however, himneys, shutters, fonces, signs, etc., asing about the only things injured. The centre of low barometer was between Keenke and Davenport, Lowa, and the centre of high borometer, near Dodge City, Ks. All telegraph lines west of this city were prostrated and no advices are yet received of the effects of the storm.

come here under contracts to labor, which are really badges of servitude, as they do not receive themseives, the wages earned by them. They bring no families with them and they live upon a scale of concerns which no American laborer can endure. We do not believe that a strugg of for existence should be inaugurated in our country between the greated in our country and in the confined principally to california, and with those it is not cisimed that Congress should guard against the fature and prevent an increase of the evil from further large additions to their number by immigration. In conclusion this minority would say that they coincide with the aimost unanimous spinlon of the citizens of California as expressed at the polis that Chinece impagration shall be checked and would recommend that Congress and the executive should at once inaugurate measures or reduce to a minimum their further inflax into this country.

The majority report expressly recommending the encomment of the fifteen assenger bill and also the abrogation of wo articles of the Burlingame treaty was ogned by Representatives Wright, Pennsylvania. Dickey, Ohio Murch, Maine; and O'Conaro of South Carolina. Congril of Indiana was the only member of the committee whe the until the nothing should be done by Cengress on the executive should at committee whe the until the nothing should be done by Cengress on the executive and O'Conaro of South Carolina. storm. Chicsgo, 29.—Saturday's storm ap pears, from rep ris coming in, to have the best the most severe in central and southern Hilicola, Missouri and eastern a Indiana. In some places considerable if damage has been done, but most yin the way of broken fences, glass and roos. Ohampsign suffered losses aggregating nearly \$1,000. Farmers report lences is welled and lands under water. The wires have been in difficulty throughout lowa, but reports from that state do not speak of any great damage inflicted. Anti-Roman Catholics.

of the committee who thought the thing should be done by Congress of a subject. The committee a recomils subject. The committees recom-undation for congressional action t estrict Chinese immigration is the efor-factically unanimous.

Afghanistan.

Candahar, 28.—Mahomed Jan is disposed to treat with the British.

Cabul, 28.—The British commission and who were most anxious to labor for the benefit of poor people in the extension of the true principles and practices of Clinicality. Letters were read from several priests in various parts of the country, saying their whole hearts would be reparated into its constituent provinces, and government would be guided solely by the wishes of he re-pile regarding a ruler.

Mahomed Jan does not accompany the chiefs who met the British envoy at their prevented by hostilities with the Hazaras.

Cafastrophes.

Cafastrophes.

Haranas.
Cabus, 29.—Hurried and incomplete stitlement is above all to be depresated before the country had a ruler strong in our support. Our retirement would be surributed to weakness, and would occasion the rising of every tribe from Cabul to Peshawau.

Notwithstanding the execution of the chief of the Rumpa rebellion, the robels are still under arms under command of

blef of the Rumpa rebellion, the robelare still under arms under command of
its lieutenant. Villages appear to afford
helter and supplies to the rebels.

Jellalabad, 28.—A large body of men
re reported to be preparing rafa to crosshe Cabul River to make a raid on the
firitish outposts. A force has been sent
o disperse them. Hazaras lave defeated
dohamed Jac, inflicting on him a loss
of seventy killed, including his brother,
t is believed Mohamed Jan will yet
tack the British line of communication,
validing Shirpur on account of its
bength.

Petersburg, 28.—The Ruski Pro-and Courier have received the first will and Courrier have received the first warning from the center of the press. The men engaged in the secret printing establishment, who were arrest dilest seek, appear to have no connection with he mibilist, but sought to accomplish beir object by peaceable means. Fiften persons have been arrested at another printing establishment on the time street.

The new official organ, The Bereg, infavorably received. It urges no libera neverres.
The laws prescribing the foreign Jaws on dominited in Russia, are being ruthesly enforced. The general tendency of ount Method's efforts, are, however, bersal. He has daily consultations with

SEC. 2.—That Section One, Article Nune, Chapter Eight, of said Revised St. Lou's, 28.—A tremendous wind storm set in here after midnight, last not have continued ever si oc, with varies severity. At 8 o'clock this morning the wind attained a velocity of sixty

ment of ten per cent. additional of the fourth of said yearsy license. Sec. 3.—Nothing in this Ordinance a shall apply to or in anywise affect any license heretofore issued under the provisions of the Ordinance of which this is amendatory.

Passed March 26, A. D. 1880. FERAMORZ LITILE, JOHN T. CAINE, Recorder.

New York, 28.—Largo meetings were held, this afternoon and evening, looking to the establishment of an American independent church, at weich addresses were made by Rev. Fathers Quino, Wood, Rooderdet and others, formerly Roman Catholic priests. It was stated that many priests were at present ongag d in the work, and that Father Quino, president of the organization, was daily in receipt of communications from priests who were preparing to abandon Romanism, and who were most anxious to Isbor for the benefit of poor people in the extension of the true principles and practices of Christianity. Letters were read from a veral priests in various parts of the country, saying their whole hearts were in the meyement, and communications were presented from Methodist, flagitist and Prestylerian conference s in Battimora, Philadelphia and New Jersen Lange (1997).
